

# Diabetic Alert Dog Presentation

**Date:** Saturday, November 7, 2009

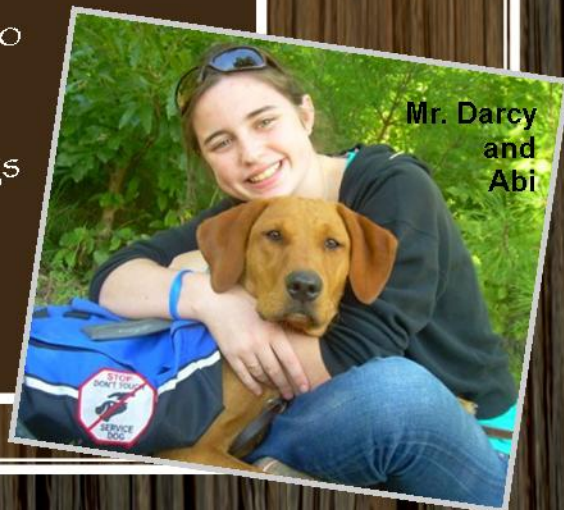

**Time:** 10:00 a.m.

**Place:** MECA Waiting Room  
6485 Poplar Avenue

901-767-3937

RSVP by November 3<sup>rd</sup>

Diabetic Alert Dogs are trained to notify owners with Type 1 diabetes of low and high blood glucose levels, thereby allowing them to make the necessary corrections to avert an episode or lessen its severity. These exceptional dogs are changing the lives of people with Type 1 diabetes around the world.
